

Application for a technical permission to operate a VSAT/HEST in Iceland

Name and address of the Applicant / Licencee:

Tel	Fax	E-mail
-----	-----	--------

Technical parameters of the VSAT/HEST:

Model: _____

Dish size: _____

Transmitter power / Radiated power (e.i.r.p): _____ / _____

Polarization: _____

Frequencies of the VSAT/HEST:

Transmit _____ MHz

Receive _____ MHz

Satellite: _____

Location in Iceland: _____

Period of operation: From _____ To _____

The negotiation of an agreement with the Satellite Operator is the full responsibility of the applicant

If the VSAT/HEST falls within the scope of Decisions ERC/DEC/(06)03 and ECC/DEC (03)04 on Exemption from Individual Licensing of VSAT/HEST operating in the frequency bands 14.0-14.5 or 29.5 – 30.0 GHz Earth-to-space and 10.7-12.75 or 19.7 – 20.2 GHz space-to-Earth (see www.ero.dk/ / ECC deliverables / Decisions), there will be no license fee, but this application form is still to be filled out.

Otherwise a formal Licence will be issued at the cost of IKR 4.750 and there is a yearly fee of IKR 25.100.

VSAT/HEST equipment shall fulfill the R&TTE Directive and be CE marked in accordance with that directive
